March Summary: Thanks to the club members who represented Kiwanis at the Farm/City banquet, and to those who helped Key Club serve Lunch Box on March 11. Builders Club helped with Boys and Girls Club on March 19 (I have inside information that says the Builders Club had a great time) – thanks Sharon for being there. We also started gearing up for our pancake breakfast and continued to get information from Rotary regarding their Feed My Starving Children project coming to Rice Lake in October.

is coming soon!

If you have photos or other "content" you'd like to see on our club web site, please let Teresa know as soon as possible. The board is reviewing our contract with DCS Netlink for website development, and our website should "go live" relatively soon!

Upcoming Opportunities

To Participate, Serve, and Give

March Board Meeting Notes (These are NOT official minutes): The following topics were discussed at the March Board and General Club meeting: The board discussed making a donation to Benjamin house, but opted not to do so at this time. We also discussed the donation request from Heart Island Family Enrichment Center and decided once again to try to have someone come speak at a meeting. We are awaiting a contract for the web site. The board will approve by email, so we can get started mid-month. Sharon will put together a quick shirt order, so we can have Kiwanis shirts before the pancake breakfast. Brian Schultz brought a potential new member Jake Ritchie. We "previewed" the book that will be given to Head Start Students during reading this month, and discussed details for the upcoming pancake breakfast. We were a distinguished club last year, congratulations to all members, and especially our distinguished president, Arnie Koehler and secretary, Tom Hall. We also got our Round Robin patch, let's keep up with the Interclubs to do it again!
