Next Board Meeting: October 1, 11:30
Committee to Report: Youth Services

Meeting Summary *(These are NOT official minutes:* After the secretary's and treasurer's reports, the board discussed the club budget for the upcoming year. The recommended budget will be presented to the club at a later date, so that we are prepared for the fiscal year starting in October. There was a suggestion that our club should host an event for Key Club and Builders Club, and a decision was made to aim for an event in the spring. We reluctantly accepted the resignations of Joe Carlson (who is moving to Eau Claire) and Anne Andrea (who is working in Eau Claire). New member Karen Schroeder was installed at the general meeting. Welcome Karen!

Notable Items: In a recent article published in Better Homes and Gardens magazine on the topic of helping students acclimate to high school, Key Club garnered mentions from two separate individuals (a student and a teacher) for being a great way for kids to meet new people and make friends at a new school.

It has become apparent that the best way to win the monthly dollar drawing is to be named Dennis. Perpetual winner Dennis Holtegaard has all the luck, as he won yet again at the September 1 meeting... and he wasn't even there! Thanks, Dennis (whoever you are) for donating your \$5 back to the kitty.
