December Meeting Notes (These are NOT official minutes)

The secretary's and treasurer's reports were presented. The board spent some time planning the Christmas Party. Members and guests will be charged the actual cost of the meal. Former members will be welcome, but will be expected to pay for their meal as well. Entertainment will be We Three. The Board also approved the following activities for the upcoming year: Builder's Club and Key Club activities, Roadside Cleanup, Head Start reading & book giveaway, Kids from Wisconsin fundraiser, Safety Fair participation, Community Connection Lunch Box meal serving, Apple Sale, Arbor Day, Environmental Day, Interclub Activities and Spirit of Christmas. The PR and Marketing Committee reported that the website is up and running, and they are considering additional ways to get the "Kiwanis" word out. Brian Schultz will investigate a radio Public Service Announcement about Kiwanis. The Club should also consider a downloadable coupon or promotion of some sort.
